

ANNOUNCEMENT

on the indexation of fees

15/02/2017

For the retail customers of Raiffeisen Bank

The calculation of the fees concerning the retail customers of Raiffeisen Bank is linked to the average consumer price index published annually by the Hungarian Central Statistical Office for the previous calendar year. According to the Bank's previous practice, the amount or measure of the fees not connected to retail lending was modified automatically as of 1 March each year in accordance with the average consumer price index governing for the previous year (i.e. was "indexed").

Please be informed that in accordance with Part One, Chapter XIX, Section 19.21 of the General Business Conditions, starting from year 2017 the date of indexation of the fees not connected to retail lending as disclosed in the List of Terms & Conditions shall change from 1 March to 1 April each year.

In accordance with the aforesaid, the Bank shall publish the changed fees by 1 April each year at the latest in the relevant List of Terms & Conditions.

For the corporate customers of Raiffeisen Bank

The calculation of the fees concerning the corporate customers of Raiffeisen Bank is linked to the average consumer price index published annually by the Hungarian Central Statistical Office for the previous calendar year. According to the Bank's previous practice, the amount or measure of the fees was modified automatically as of 1 March each year in accordance with the average consumer price index governing for the previous year (i.e. was "indexed").

Please be informed that in accordance with Part One, Chapter XIX, Section 19.21 of the General Business Conditions, starting from year 2017 the date of indexation of the fees as disclosed in the List of Terms & Conditions shall change from 1 March to 1 April each year.

In accordance with the aforesaid, the Bank shall publish the changed fees by 1 April each year at the latest in the relevant List of Terms & Conditions.
